# How do I view my posted feedback?

Instructors or teaching assistants may provide feedback comments or grades in the *Posted Feedback* tool.

Go to Posted Feedback.

Select **Posted Feedback** from the [Course Navigation Menu](#).

Select the View button.

In the row for the feedback file to view, select **View**.

View your feedback.

Posted Feedback

Login ID	Last Name	First Name	First Draft Feedback	First Draft Grade (max B+)
tls6u-student-1	One	Student	Very nice work. Please see detailed comments in the Word document I provided.	B-

Back

A table will display with the column headings from the feedback spreadsheet your instructor uploaded, for example, *Login ID*, *Last Name*, *First Name*, etc. Any comments, grades, or other information the instructor entered for you will be included in the table.
